Communications Design Lead with 8+ years of experience creating brand identities and digital products for leading tech companies (Yandex, Badoo). Expert in building scalable design systems, leading cross-functional teams, and leveraging AI tools to deliver cost-effective visual solutions. Proven success in driving marketing campaign performance and brand growth for products serving 30M+ users. Launched own dating app Apt, reaching 7K MAU. Strong background in Agile methodologies, team mentoring, and international collaboration.

WORK EXPERIENCE

Graphic Design Lead

03/2025 — Present

Yandex Practicum

Leading CIS online tech bootcamp (100K+ graduates) | Remote

- Launched Yandex Practicum Pro branding (visual system, brandbook, AI photo generator); campaign delivered 154% reach, 206% traffic, +652% search lift
- Built AI generator and resizer in Cursor for comms assets — cut vendor costs ~200k ₺/mo, banner TTM from 3 days to 10 min
- Integrated Krea and Recraft: promptbook and node-based workflows; saved ~1.4M ₺ in Q4 2025
- Plan sprints, art direction for key streams; design syncs and brainstorming with editorial
- Mentor designers (competency maps, growth tracks, 1:1s); own landing pages and web design library; template system for landings
- Creative pair on special projects (Brand Awareness, BHT, NPS); launched referral merch (14 SKUs)

Graphic Design Lead

10/2022 — 01/2024

Yandex Music

Russia's #1 music streaming service (70M+ MAU) | Remote

- Visual strategy and campaigns for artist-focused products (B2Artist); relaunched Bandlink identity and comms (SMM, CRM, events)
- Led "Year in Review" three times (2022–2024): concept, marketing and in-product assets, vendors, events
- Art-directed "The World of Korol i Shut": in-app integration and exhibition stand
- Visual style for launches ("My Wave for Exams", "Summer is a Vibe", Boulevard Depo); merch for Yandex Phantech welcome pack

Senior Graphic Designer

08/2020 — 02/2021

Badoo

Global dating app (400M+ users, 60M+ MAU) | London, United Kingdom (Remote)

- Remote work with UK comms team (English). Owned app comms for Russian market: global identity adaptation, local campaigns
- Designed Badoo Hotline website (sexual health education); 375K+ users in two weeks
- Visual concept for first OOH in Russia "Be Yourself With Me" (nationwide); illustrations for media, oversight of animated videos

Designer, Co-Founder

02/2021 — 09/2022

Apt

Dating app for meeting through city events | Moscow, Russia · On-site

- Co-founded and art-directed Apt; shaped product vision, secured angel investment, defined MVP; designed product (prototypes, component library, visual language for iOS/Android)
- Led cross-functional team (Flutter devs, copywriter, account manager); brand identity, landing pages (Readymag), SMM and offline communications
- Partnerships with Moscow venues (Shchusev Museum, VDNKh, Strelka, Manege, Jewish Museum); branded corner at music festival
- 6K+ MAU in six months, 11K+ profiles (~75% women); featured in Inc Russia, SRSly, Skillbox

Junior Graphic Designer

10/2019 — 07/2020

Yandex Go

Super-app for ride-hailing & deliveries (30M+ MAU) | Moscow, Russia (On-Site)

- MagicCamp (internal creative studio): visual comms for drivers — in-app to offline; taxi liveries, navigation totems
- Supervised photoshoots (Central Asia quality campaign, Yandex Go launch); landing pages and visual style for 2019 drivers' "Year in Review"
- SMM for "Help is Nearby" initiative; print assets (stickers, posters) for hospitals

Junior Web Designer

11/2018 — 09/2019

Art. Lebedev Studio

Largest Eastern European design & branding agency | Moscow, Russia (On-Site)

- Presentations (InDesign), layouts (Sketch), landing pages, UI kits; express-design program — 6 client projects
- Projects: Perekrstok loyalty terminals, SberSpasibo, "Lavrus" (Tretyakov), Sheremetyevo scoreboard graphics
- Released "Echelon" typeface and "Through the Looking Glass" pattern (studio website)
